

BUCKET BOYS

CD „FROM A TO C“

(BOGEYMAN MUSIC, BM-1722)

„From A to C - 8 more songs between heaven and hell“

Released in december 2022, the new **BUCKET BOYS**-album is coming as a kind of „hybrid-work“ – with four songs on the **A**-side and four on the B-, better called **C**-side ...

Four times with **A**ndreas Kehren on bass, who tragically passed away in june, 2021, and left those last recordings, and four times with **C**hristian Beerens, who is playing bass and completing the **BUCKET BOYS'** music now.

Eight new songs between heaven and hell, between dubious backyard figures and nagging longing - sounds full of dirty passion and dusty desert flair.

The **BUCKET BOYS** are building a bridge from YESTERDAY to NOW, from **A** to **C** and, maybe, between HEAVEN and HELL, too

The Album is released on CD first and will be on vinyl later.

“From A to C” is distributed worldwide and available on iTunes, Spotify, Amazon, Google Play, Deezer ...
